1 Purpose

Connect is the member portal provided by your Pension Fund. This document presents the processes handled by the Connect portal and describes the functions of the portal.

2 General points

2.1 Homepage and navigation

The Connect homepage provides helpful information and links along with the contact details of your Pension Fund.

1. Navigation

Use the menu symbol to show and hide the navigation column on the left margin of the screen.

2. Pension Fund logo

Click on the logo to return to the homepage.

3. Tasks

Here you can see the changes and messages you have made or saved temporarily. Use filter criteria to help you find the relevant tasks. A double-click allows you to call up and edit your temporarily saved changes and messages.

4. Messages

All your documents are listed in chronological order. Filter criteria help you find documents.

If a new document arrives, you will receive an automatically generated e-mail from noreply@avadis.ch with the subject line "Connect has new information for you".

5. Three-dot menu

Click on your user name or the three-dot menu to open your user profile or log out of Connect. Details regarding the user settings can be found under 2.2 "User profile".

2.2 User profile

You can edit your user settings in the user profile.

The screenshot shows the 'User profile [Max Muster]' page. On the left is a dark blue sidebar with navigation links: 'Homepage' (home icon), 'Overview' (person icon), 'Simulations' (chart icon), and 'Enquiries' (speech bubble icon). The main content area has a white header with the title 'User profile [Max Muster]' and three orange buttons: 'Edit', 'Change password', and 'Change e-mail'. Below the header is a light blue profile card. It features a circular avatar with the initials 'MM' and the display name 'Max Muster'. The card is divided into two columns of details: 'First name' (Max), 'Surname' (Muster), 'E-mail address' (max.muster@avadis.ch), and 'Language' (English). Below the profile card is a 'Multi-factor authentication' section with an 'Edit' button and two radio button options: 'SMS' and 'OTP'. The background of the main content area is a light blue gradient.

Edit

Click on the “Edit” button to change your user name and the language setting in Connect. Please note that these changes will only be activated the next time you log in.

Change your password

Click on “Change password” to create a new password.

Change your e-mail address

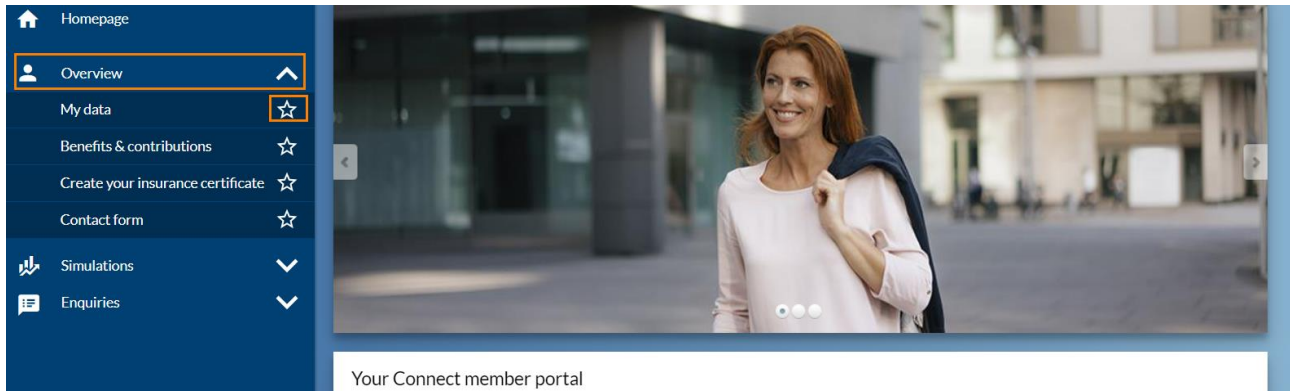

Click on “Change e-mail address” to register a new e-mail address.

Multi-factor authentication

For security reasons, logging into Connect requires two-factor authentication. You can change the method selected at the first login, for example from text message to Authenticator, in your user profile.

2.3 Favourites

Click on the star to mark frequently used menu items as favourites. These items will be listed above the navigation to help you find them more easily. To deactivate favourite status, click on the star again.

3 Overview

The “Overview” menu contains details regarding your personal data and allows you to check your current benefits and contributions. Use the contact form to notify the Pension Fund of any queries you may have, or to exchange documents.

3.1 My data

Shows the personal data on file with your Pension Fund.

3.4 Contact form

Use this form to submit any queries you may have, and to submit documents.

The screenshot shows a web interface with a dark blue sidebar on the left and a main content area. The sidebar contains a list of navigation items: 'Homepage' (with a house icon), 'Overview' (with a person icon and an upward arrow), 'My data' (with a star icon), 'Benefits & contributions' (with a star icon), 'Create your insurance certificate' (with a star icon), 'Contact form' (with an orange arrow icon and a star icon), 'Simulations' (with a bar chart icon and a downward arrow), and 'Enquiries' (with a speech bubble icon and a downward arrow). The 'Contact form' item is highlighted with an orange arrow. The main content area has a light blue header with the title 'Transmit documents'. Below the header, there is a white box with the instruction 'Use this form to send us documents.' and three input fields: 'Subject *' (a text input field), 'Message *' (a text area), and 'Add Dokument or drag file(s) here' (a file upload area). At the bottom of the white box, there are two buttons: 'Cancel' on the left and 'Transmit' on the right.

4 Simulations

Under “**Simulations**” you can run a non-binding simulation of how a change in your salary or a repayment of your advance withdrawal for home ownership will affect your retirement benefits.

In the “**Multi-level simulation**” menu, you can simulate various scenarios together by clicking on the “**New**” button.

5 Enquiries

Under “Enquiries” you can simulate the effects of a change in your circumstances on your retirement benefits. You can also send us a binding application directly via Connect.

5.1 Buy-in

Use this function to calculate how a buy-in will affect your future benefits. Simply enter the buy-in date and the potential buy-in amount.

The fields “Max. buy-in” and “Max. buy-out” change if you change the date of your planned retirement date.
Max. buy-in: Maximum possible buy-in for retirement at age 65.
Max. buy-out: Additional buy-in option in the event of early retirement.

Enter any assets that are in a vested benefits account or that you have paid into pillar 3a while self-employed under “Other assets”.

Click on “Calculate” to see the retirement benefits before and after the buy-in.

5.4 Promotion of home ownership – WEF advance withdrawal

If you have already simulated your early withdrawal under “Simulations” and would like to send your binding application to your Pension Fund, please complete the “Advance withdrawal for home ownership” process.

The screenshot shows a web interface with a dark blue sidebar on the left and a main content area on the right. The sidebar contains a list of navigation items: 'Homepage' (with a house icon), 'Overview' (with a person icon), 'Simulations' (with a bar chart icon), 'Enquiries' (with a speech bubble icon), 'Buy-in' (with a star icon), 'Retirement' (with a star icon), 'WEF pledge' (with a star icon), and 'WEF advance withdrawal' (with an orange arrow icon and a star icon). The 'WEF advance withdrawal' item is highlighted with an orange arrow. The main content area is titled 'Withdrawal for residential property' and contains a 'Calculate' button. Below the button, there is a text prompt: 'Enter the desired amount of the withdrawal and check the effects on your benefits.' The form includes a 'Date *' field with a calendar icon, an 'Amount *' field, a 'Maximal' field, a 'Purpose of use' dropdown menu (currently set to 'Unknown'), and a checkbox labeled 'Are you taxed at source?'. At the bottom of the form, there is a small disclaimer: 'Results without guarantee, numbers rounded to whole francs.'
